# ABOUT US

305 Kolts Inc. is a Youth Athletic Training and Development non-profit organization that was created exclusively for charitable purposes. Our goal is to provide youth of all economic backgrounds the opportunity to participate in organized sports and to develop young athletes into successful men and women both on and off the field.

We currently run a Flag Football team in the 10U/11U age bracket, with hopes of adding additional teams for the upcoming season. The team consists of 10 players and 2 coaches. Head Coach Alex Hernandez and Assistant Coach Miguel Marin have a passion for developing youth athletes and helping them reach their full potential. Both Alex and Miguel are volunteer coaches dedicated to helping their players gain confidence and perfect their craft.

Working alongside coaches Alex and Miguel is Team Mom Stephanie Panero who's goal is to assist in administrative duties and fundraising initiatives, alleviating the out of pocket expenses for our 305 Kolts families. We strive to ensure that finances are never a reason that a child is denied the ability to pursue their passion for organized sports.
